ABOUT US

Saint Joseph's Carpenter Society (SJCS) was founded in 1985 by Msgr. Bob McDermott to begin the transformation of East Camden back to the vibrant, family-centered community he remembered from his childhood. Thirty-five years later, SJCS continues to expand the services that are offered to East Camden and surrounding communities. This outing provides much needed support for the education, housing, and community programs we provide. Father's Bob's legacy has provided more than 1,000 homes in the community and educated over 5,000 people.
