Once set, add more bugs to each continue (lean some against edges, so they stick out the top). Pour over a third of the jelly and leave to set in the fridge. Repeat with remaining bugs and jelly.

Step 3

For the soil topping, place cookies in a plastic and using a rolling pin, bash into crumbs, then top onto a plate.

Step 4

Just before serving, sprinkle a layer of soil (cookie) over each set jelly, then top with your favorite gummies.
